

How to File a Claim

Bluebonnet Mutual Insurance (fictional company, training data only)

1. Reporting a Claim

Claims must be reported within 30 days of the date of loss. Claims reported after 30 days may be denied unless the policyholder can show a reasonable cause for the delay.

Claims can be reported by phone at 1-800-555-0142 (24 hours a day, 7 days a week) or through the customer portal. Claims cannot be filed by email.

2. Required Information

Policy number, date and location of loss, description of what happened, and photos of the damage.

A police report is required for any auto claim involving injury, a hit-and-run, theft, or damage estimated over \$2,500.

3. Timeline

Step	Timeframe
Adjuster first contact	Within 2 business days of the claim report
In-person inspection	Required for claims estimated over \$10,000
Claim decision	Within 15 business days after all documents are received
Payment	Within 5 business days after claim approval

4. Appeals

A policyholder may appeal a denied or partially paid claim within 60 days of the decision letter. Appeals must be submitted in writing through the customer portal or by mail. An appeal is reviewed by a different adjuster than the one who made the original decision.
